

UCT Treaty was ratified by twenty-five sovereign nations on 21 June 2012 CE with these aims and objectives:

> End crimes against humanity and Earth

> > Deconstruct unsustainable fiscal and ownership systems which are based on profits for few and scarcity for many

Dismantle industries causing harm and loss to humanity and Earth

> **Nullify debts** and interest: replace with localised depositories in UCT communities

Universal Community Trust
Proclamation of Independence, Sovereignty and Jurisdiction; Affirmation of

the Superiority of Natural Law; Declaration of Unalienable Rights.

UCT is an umbrella trust, protecting all Sovereign Community Trusts [AnarchoNations / AnarchoTrusts] and their beneficiaries, founded on principles of Natural Law, supplemented and interpreted by Treaty of Universal Community Trust [UCT Treaty] and Magna Carta 2020....

Sovereign Community Trust [SCT] declared by Grantor and Trustees. Beneficiaries are numerous Private/Family Trusts [PT/FT].

PT/FT with Trustees and Beneficiaries.

PT/FT with Trustees and Beneficiaries.

Eradicate

artificial scarcity,

homelessness.

famine, disease:

Enable

abundance.

peace, freedom,

harmony

PT/FT with Trustees and Beneficiaries.

Cease wars, repudiate allegiances and oaths which are to detriment of humanity

networks in UCT communities: Promote selfsufficiency and sweat equity

Establish co-operative trade

Arrange means for UCT communities to settle valid financial obligations and credit local depositories

Nullify judicial proceedings and convictions for victimless crimes; Replace positive law with Natural Law

> Facilitate universal bonds; Achieve aims in peaceful, amicable, equitable ways.

Let all people in all nations under UCT be self-governed by the divine maxim:

Do no harm, cause no loss, and accept no wrongdoing against you.
